

Case Study: Waste + Recycling

OVERVIEW

The owner of several multifamily properties retained Wolf Expense Solutions to review their waste + recycling contracts in order to identify savings opportunities across multiple locations. Wolf was able to right-size onsite equipment and in turn lower client's existing service cost.

The savings generated by Wolf on behalf of this client was approximately \$23K per month.

RESULT

Wolf's waste + recycling expertise led to the return of \$276K to the client's annual bottom line.
